In no event will the State of Alaska be liable for any incidental, indirect, special, consequential, or other damages suffered by the user or any other person or entity whether from the use of the electronic services or products or any failure thereof or otherwise. In no event will the State of Alaska's liability to the Requestor or anyone else exceed the fee paid for the electronic service or product.*  
website: [dggg.alaska.gov](http://dggg.alaska.gov)

Summary of erosion at community-based erosion monitoring site in Port Heiden, Alaska. Plot shows contemporary bluff erosion since the monitoring site was established in 2016. Arrows point to significant erosion events and highlight erosion rate. The monitoring site was established collaboratively between DGGS, University of Alaska Fairbanks, Bristol Bay Native Association, Alaska Sea Grant, and the Native Village of Port Heiden.
